- Please make **cheques** payable to Wells of Hope and send them to 82 Concord St, Fonthill, LOS 1E5 no later than **July 6th**.

Please contact Ben Obdeyn or John van der Zalm or Frank Memme to reserve your spot in the tournament via e-mail or phone (see below). If you are a single golfer, sign up and we will combine golfers to make foursomes.

In 2004, the Wells of Hope was founded by Ted van der Zalm with a mandate of “helping others”, specifically bringing fresh water, basic health care and education to countries that are less fortunate than ourselves. It is our hope that the funds raised from this tournament will provide clean drinking water to those who need it most.
